Kerchief edging

Join yarn in right hand corner of free loops of original ch, ch 1 sc in same stwork picot (sc in next 3 sts, work picot) across to other end. Please note that the sts do not need to end perfectly, ch 50 slst in each ch across, except for last ch, work trim of 3 sc & picot evenly across both sides of triangle. When you get back to where you started, ch 50 slst in each ch across, slst to top of first sc

Pant ruffle, (please note I can not tell you exactly how much to ch because all pants are different)

Make enough ch to go around pant leg minus about 1.5 to 2". Join with slst to first ch

Rnd 1 ch 1 sc in each ch around slst to top.

Rnd 2 ch 1 sc in each sc around slst to top

Rnds 4-6 ch 3 turn dc in each dc around

finish off

row 7 attach other color with slst in any st around, ch 3 dc in each dc around, join with slst to top of ch 3

rnd 8 ch 1 (dc in next 3 sts, work picot) around join with slst. Finish off

Repeat for other ruffle except reverse the colors

Sewing ruffle to pant edge

Use ruffle as a guide on where to cut pants

Line up the bottom of the ruffle to the hem of the pants, cut the pants right at rnd 2 of sc.

Pic sc sts on wrong side of the pant and pin so that the cut edge of the pants falls about half way down first dc rnd, sew by machine making sure you catch the sc rows. To better secure it go over the straight st with a zig zag st. pant edge will fray in the wash.

Crochet rose embellishment make 4, 2 starting with main color and 2 starting with contrast color.
